

BREAD OF LIFE

“I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst.”

deepest need, a right relationship with God. This is made possible only by faith in Jesus. Many Advent Christian ministries around the world are pointing people to Jesus through ministry feeding programs. Our Advent Christian ministries in Memphis, Honduras, Myanmar, Mexico, the Philippines, Malawi, the Democratic Republic of Congo, India and Thailand have regular feeding programs. These programs also include Christ-centered lessons and activities. All of these ministries struggle with the financial resources to purchase needed food and supplies.

You can help these ministries supply nutritious food for those they serve. Hundreds of people are served regularly by these ministries. The majority of them are children. While each program has its unique circumstances, our best estimate is that in most cases \$70 will provide a healthy meal for as many as 100 people. This is a wonderful opportunity to meet the need of physical hunger. At the same time, it is most important that those served are introduced to the true Bread of Life.

Bread of Life gifts will be placed in ACGC’s “Touching a Life for Christ” (TLC) fund and distributed quarterly throughout 2016. ACGC reserves the right to redistribute gifts if the feeding program ministries become fully funded.

Your gift can be sent to Advent Christian General Conference and marked “Bread of Life.”
