## JESUS IS THE GOOD SHEPHERD

In America, we use our cars A LOT! How could you use your car less this week? Set a goal to make a tank of gas last all week long. Combine weekly errands into one trip. Pray that these activities spark conversation about our friends in Malawi. Consider donating the money you save to Penny Crusade this week.

### AT HOME

Pastors have a hard time visiting the people in their churches because many do not have cars or bikes. If they do have bikes, the roads can be too rugged to ride on.

### TRANSPORTATION

Malawi is a beautiful country. Lake Malawi is an amazing sight - it is the ninth largest lake in the world! Malawi also has mountains, gently rolling lands and plateaus. There is so much to explore in this country.

### MEMORIZE

"I am the good shepherd. I know my own and my own know me, just as the Father knows me and I know the Father; and I lay down my life for the sheep."  
- John 10:14-15

### READ

Every day in Malawi, faithful pastors are following Jesus' example by caring for people in their churches. Jesus tells pastors to care for their churches like shepherds care for sheep. Being a pastor in Malawi can be very difficult. Some pastors work all day at other jobs and try to preach on Sundays. Often pastors in Malawi do not have transportation and some do not even own a Bible. Even with these obstacles, faithful pastors continue to teach people about Jesus.

### PRAY

- ▶ Thank God for the faithful pastors who are preaching and teaching in Malawi.
- ▶ Pray that God will provide Bibles for pastors.
- ▶ Pray that these pastors will have the energy they need to persevere.
