JESUS IS THE TRUTH

This world can be very confusing! Thankfully, God gave us his son Jesus and the Bible to help us know what is true. Jesus is TRUTH! This week at dinner, take a moment and go around the table and share any difficult situations from the day. Talk together about what God's word says and encourage each other to live in light of it.

AT HOME

Kids in Malawi love going to school. They go to primary school between the ages of 6 and 14 years old. If they pass a test, then they may go on to secondary school. There is a great need for more classrooms, more teachers and more supplies. Sometimes classes can have one teacher for 100 kids!

EDUCATION

Lake Malawi, the third largest lake in Africa, is home to more species of fish than any other lake on the planet! You can see thousands of fishing boats day and night on Lake Malawi.

MEMORIZE

"I am the way, and the truth, and the life. No one comes to the Father except through me." – John 14:6

READ

There is a great need for the truth of the gospel in Malawi. Pastors need regular time of study and training. In America, pastors have access to education through books, events, schools and the Internet. In Malawi, there are very few opportunities to learn more about the Bible. Pastor Perkins, pastor of Bear River AC Church, has gone to Malawi for two weeks for several years to teach pastors about the Bible.

PRAY

- ▶ Thank God for Pastor Perkins' desire for teaching in Malawi.
- ▶ Pray that God will help the pastors in Malawi gain access to the education and books they need.
- ▶ Pray that God would direct the work of this ministry each year.
