Since 2007 Asia Team Leader Ernie Schache has worked with our AC ministries in India, Malaysia, Myanmar and Thailand. He assumed this role after five years as an Advent Christian missionary in India.

Ernie was a lay businessman in his native New Zealand when called to service in India. He represented a new kind of missionary — one who can come alongside our pastors and help administratively. Ernie had been president of AC Missions New Zealand, and had organized work teams to Oro Bible College in the Philippines and the former College of Evangelism in India. He brought those skills to the mission field.

In India, Ernie supervised ministry finances and worked with Indian nationals in building churches, parsonages and related projects. He helped church members establish micro-businesses to support their families.

Besides Asia Team Leader duties, Ernie also serves as president of the New Zealand AC Conference.
