

# OUTREACH INTO THE SHAN STATE

*Pastor Joseph, one of the four pastors whose organizations make up the Myanmar AC Conference, traveled to Shan State on October 15 — 30, 2018. He shares the following with us:*

I am excited to report to you about how the Lord of God is moving among the unreached people groups of Akham, Lahu and Inh and Loas people. This trip was blessed with fruit by God.

Our team traveled by air and car to Shan State, and then by motorcycle and foot. We crossed mountains, hills and walked through the jungle to reach the unreached people. We ministered from village to village and preached the Word of God from house to house and person to person.

By God's power, we reached Inh, Lahu and Akham and Loas people for the Lord. We were very blessed by the hunger and thirst of these people for the Word of God.

## **Praise the Lord with us:**

- We shared the gospel in every village.
- Seventy people were converted.
- Some received healing by the power

of the Holy Ghost.

- Twenty thousand gospel tracts were distributed in Lahu, Akahm, Shan, PaOo, Paloung, Loas and Inh.

Please pray for us. We cannot be drowned out. Now is not a time for despair. Now is a time for action.

We ask that you make a decision today to stand with us in 2019. There are thousands of unreached people in Myanmar who will go to bed hungry for food as well as redemption of God, salvation of God, love of God and life that we have only in Jesus Christ. Your support for my ministry, The Word Mission, will allow us to provide the gospel and meals to so many who are hungry for food.

Thank you for your compassion and care to help families and communities in their greatest time of need. We are so excited to see how God will work in the lives of children and teenagers as they encounter Jesus Christ in a deeper way this coming year. Thank you for making a difference in their lives. The ministry that we are doing to bless the unreached in Myanmar is a testimony to the entire nation and his Word is spreading. With your help, we will be able to do even more to meet these urgent needs and bless the unreached people.

## **Pray for us:**

- Pray for Lahu people. They need help in many ways for their families, their spiritual lives as well as their physical well-being. Pray that

they will open their hearts to the Lord.

- Pray for the children of Lahu that they will receive an education.
- Pray for us to be able to reach the Lahu people. Pray that the Lord will open the way for us and bring many Lahu's souls to God. Their desire is great for alcohol.
- Pray for the 250,000 people of Lahu to receive salvation and eternal life. Much evangelistic and literary work is yet to be done. There are still many groups in the Golden Triangle to be reached more effectively by the power of the gospel.
