# DEMONSTRATING “TLC” AROUND THE WORLD

*Pre-school classroom in Riouso, Kenya*

*Basic school supplies for students include: paper, pencils, teaching aids, uniforms, Bibles, VBS and youth ministry material and financial assistance and **scholarships** for higher education.*

*Feeding program in Sula, Honduras*

*Nutritional needs are provided through funds designated for hunger relief, feeding programs and distribution of vitamins and dietary supplements. Churches, schools and clinics are serving as host sites for administering these programs.*

**T***OUCHING a LIFE for CHRIST (TLC)* will make a difference in the life of someone caught in the web of poverty. Poverty reveals itself in a number of painful ways. Children and women are often the most vulnerable and the first to feel poverty's suffocating grip. These are the ones who need that special touch. **TLC** is a way to touch, encourage and change a life forever. Please help us demonstrate the tender loving care Christ Jesus has for all his children. Your gift will provide the means for our churches and mission personnel to address some of the special needs they face every day.

*Health Clinic in the Philippines*

*Basic health care includes: items for personal health and hygiene, such as diapers, soap, toothpaste, tooth brushes and deodorant.*

*Orphanage in Mati, Philippines*

*Care for orphans entails many things: provision for proper housing, care-givers, food, clothing, administrative work, programs and activities.*

Your gift to the **TLC** program will be applied to the specific need that you indicate, or you may simply check the box “Use where needed most.” If a specific need is already fully funded, ACGC will offer you the opportunity to redirect your gift or will apply the gift where it is most needed. (*Gifts designated for a named individual are NOT tax deductible.*)
