## WHAT IS PENNY CRUSADE

In 1956, Chester Randall made an unusual donation of 4,175 pennies to help Advent Christians spread the gospel to the nations. This served as an inspiration and launch pad for a yearly denominational fundraising effort called Penny Crusade. Since then, more than 16 million dollars has been raised and sent by more than 300 AC churches.

## WHERE DOES THE MONEY GO

Advent Christian ministry partnerships now exist in more than 20 countries. Indian pastors, Filipino missionaries, African pastors, children's homes, a Bible college, discipleship groups, feeding ministries, training events and new church plants are all strengthened by money raised through Penny Crusade. 100% of Penny Crusade dollars goes to missions. *(See the back of this card).*

## WHAT DOES IT MEAN FOR ME

God's desire is that every nation, tribe and tongue hear and respond to the good news of Jesus Christ. Through Penny Crusade, you have the opportunity to support this mission. God doesn't need your money to expand his kingdom, but he invites you to give as an act of worship and obedience.
