

A.C. Penny Crusade

Penny Crusade for Missions is an annual campaign, started in the mid 1950s, which has come to support nearly 80% of the World Missions Budget (in over 30 countries) for the Advent Christian General Conference. Much of this budget pays the basic salaries and provides food and subsistence living for faithful pastors and their families in third-world countries. They are depending on us!

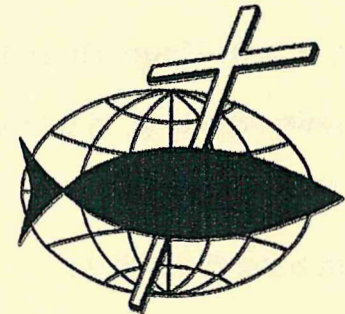

Since many local churches here in the U.S. are not even meeting this year, let alone raising missions support due to COVID-19 restrictions, the Penny Crusade giving through August nationwide was less than \$265,000, well short of the \$483,000 goal! Fellowship Church has already given over \$18,000 to help in 2020, and we hope that this golf tourney will raise at least \$4,000 more! God bless you for helping!

Work & Witness Ministries

Work & Witness Ministries of the Fellowship Advent Church in Bethlehem has been sending work teams to support various mission projects at home and abroad for nearly 20 years. They have also raised thousands of dollars to support special needs caused by storms and other crises here in the U.S.

In the 14 years of the Fellowship Church Golf Challenge, we have raised nearly \$45,000 to benefit these worthy projects. Last year's tourney especially benefited the feeding of orphans in the Philippines during the COVID-19 pandemic and a major needed roofing project at a North Carolina Christian camp in Blowing Rock.

Thanks for your help!
