

**Advent Christian General Conference
Women's Ministries**

The primary goals of the Department of Women's Ministries:

- Unite and encourage the pastors' wives & women's ministry leaders of our churches as they lead, disciple and share in the lives of the women in their churches and communities.
- Equip pastors' wives & women's ministry leaders with resources for deepening their personal spiritual walk as well as their ministry in their local church, community and beyond.

Some of the services we offer:

- We seek to identify and advertise materials, training and ideas that are pertinent to pastors' wives and ministry to women.
- We are available for teaching workshops and seminars on topics related to women.
- We facilitate the formation of LEAD Teams for the purpose of pastors' wives and women in ministry supporting each other as they learn, encourage, achieve and dream together.
- The *WHFMS Program Kit* is published annually with monthly programs, recommended reading and other resources.
- The *WHFMS Update* is an electronic monthly newsletter from the National WHFMS President.
