

*With Your Help,
Serving the Lord's Servants*

ADVENT CHRISTIAN VILLAGE
AT DOWLING PARK

Together, early in life, “Jim and Nell”* felt God’s call to serve Him in fulltime ministry. They eagerly took on the challenges and sacrifices that come with such a call, serving the Lord and His people in AC churches around the country. (*names and photo changed to protect confidentiality.)

In retirement, they chose to make Advent Christian Village their home. Here they fellowship and continue to serve alongside other likeminded people. Sadly however, having had few opportunities to invest toward retirement, they feel the financial pressure of the time more acutely than most.

Thankfully, they don’t have to wonder how they will afford the essentials. People like you give to ACV, not just at Christmastime, but also year round. That ongoing support gives them and many others true peace of mind and ensures they can continue to thrive.

This is the same ministry to AC ministers, missionaries and their spouses that has been carried out in Dowling Park for 109 years. What a privilege it is to serve the servants of the Lord! We recognize that it is only as we link hands with the support of people like you that it is possible.

Please help us to ensure that the special people that labored among us will continue to have their needs met throughout this New Year.

Will You Help?

When you give to ACV’s Benevolent Fund, through 5th Sunday offerings and other gifts, you support ministries to senior adults, children and families in need. Will you help?

Support the Ministries of Advent Christian Village through:
