CALVARY HEALING MTN

“You are the light of the world. A city that is set on a hill cannot be hidden.” Calvary Healing Mountain, a ministry of the Adda Road AC Church, is a light in the spiritual darkness of Andhra Pradesh in southern India.

Adda Road is pastored by Rev. Paul Gandham and his son, Victor Abraham. Several years ago, after Victor Abraham had graduated seminary, he returned to work with his father at Adda Road. The Lord gave Pastor Victor a vision for what would become Mount Calvary.

Victor Abraham: **“I used to fast and pray and ask God to give me an impactful ministry in this area.”**

As Pastor Victor continued fasting and praying he found himself in a rugged tract of wilderness across from the church. He went there day after day seeking the Lord, sometimes praying an entire night.

“When I went there, the mount was not like it is now ... It was full of trees and wild animals. One day I went up there and sat on a tree and opened my Bible to Moses and the burning bush experience. I received a specific answer to my prayer.”

The vision for Calvary Healing Mountain began to take shape in Pastor Victor’s heart and mind. **It would be a city set on a hill. A place where God would draw all people to himself.** They worked to clear the land and the first service was held on Good Friday.

Services are now held monthly and more than 500 people attend. There are times of singing, preaching, giving testimony of God’s work in the lives of the people and, most importantly, prayer. At the end of the services, the people are fed a meal.

To date, more than 100 families have been drawn out of the darkness of Hinduism into the light of the gospel of Jesus Christ through the ministry of Calvary Healing Mountain.

“Your prayers and support are vital to us.”
