

A.C. Penny Crusade

Penny Crusade for Missions is an annual campaign, started in the mid 1950's.

It has come to support nearly 80% of the World Missions Budget (in over 30 countries) for the Advent Christian General Conference.

Much of this budget pays for the basic salaries, and provides food and subsistence living for faithful pastors and their families in third-world countries.

They are depending on us!

Work & Witness Ministries

Work & Witness Ministries of the Fellowship Advent Christian Church in Bethlehem has been sending work teams to support various mission projects at home and abroad for nearly 20 years. They have also raised thousands of dollars to support special needs caused by storms and other crises here in the U.S.

In the 19 years of the Fellowship Advent Church Golf Challenge, we have raised over \$85,000 to benefit these worthy projects.

Last year's tourney benefitted the Hadzabe tribe in Eastern Africa, who were reached with the Gospel!

Special Prize this Year!

A hole-in-one on the (short) #5 will earn four (4) season tickets to the Hickory Crawdads for 2025!

Also, there is a special prize package for closest to the pin on that hole.

The 20th Annual Fellowship Church Golf Challenge
